COMMANDER'S MESSAGE

Happy New Year 2018 Post,

I want to wish everyone a happy, healthy, and safe 2018. We will have the General Membership Meeting on the 4th at 7:00 PM, and the Exec. Board Meeting will be the 18th at 7:00 PM. A flag retirement will be held on the 6th at 11:00 AM. The Canteen Games will be held again on the 28th at 2:00 PM.

We have had a successful 2017, and we need to continue our efforts for our community, state, and nation in 2018. I wish to say thank you for your support, and your well wishes while Edith was in the hospital. Please keep our sick members in your prayers, and remember our deployed service members.

We will be starting up an election committee in the next few months for the election of officers. I will not be running for Commander next election.

I wish to say thank you to everyone that participated in replacing the ceiling tiles in the canteen area, and especially Dan Higgins for getting the tiles donated to the Post. I also owe the American Airlines Veterans Group (Manuel Vega, Matt Wittenmya & John Alvarado) a big thank you for their assistance on this project. Daniel Fallon, Dennis Arkwright, David Watkins, Norm Monastesse, John Alvarado all participated in this effort and I can't express how much it was appreciated.

We have new flooring for the canteen bathrooms donated again thanks to Dan Higgins that we will start on later this month.

Honor Guard and Riders are still looking for new members please contact Mike Sivers Honor Guard commander if interested, or Joey Cook Riders Director if interested.

I look forward to being your commander for the remainder of my term of office.

CHAPLAIN'S CORNER

I hope everyone had a great Holiday season.

On 12/1 Wayne Maddox had cancer surgery in his abdomen. For a few days recovery went well then complications set in. He was moved to the ICU heart center for an accelerated heart rate and was suffering from pain in his back. During one test some fluid was inhaled into his lungs which had to be removed and he was placed on a breathing machine and had a feeding tube. They had also found a leak where the surgery took place which required a stent to be inserted to help stop the bleeding. Days later they were able to remove him from the breathing machine and he was very alert. He was able to say hello to everyone at # 379. He has been up on a walker and terrorizing the nurses in the hallway. They finally got him back to a private room and as of this writing is still in the hospital but recuperating nicely.

Brian McCormick has been back in the hospital with a lung flare up but this was taken care of rather quickly and he is back home and doing well.

Dennis Arkwright was in HEB for installation of a pacemaker on 12/15 and the surgery went well. Saw him late that afternoon and he was ready to go home the next morning.

Kenny Wendt went in HEB on 12/17 with some heart issues and had open heart surgery but is doing well now in Legends Rehab.

I visited Howard Stevens the same day. He was to have surgery the next morning for a severe staph infection. Surgery was successful and recuperation is going well in Legends Rehab.

Jim "Gar" Garcia had open heart surgery and is still recovering at Southwest Hospital.

Joey Cook has another upcoming surgery soon on his shoulder. A few days before Christmas unfortunately

Edith Gossett also fell ill and was in the hospital a few days and is back home doing well.

December has been a hard month for some members of # 379 and let's keep them in our prayers. Let us all pray that 2018 will be much healthier and that all of Post 379 members and their families will have a better year.

May the Lord lift and protect you.

For God and Country

TOYS FOR TOTS UPDATE

We held our annual Toys for Tots collection drive on Saturday December 9th. What an outpouring of love and generosity from our members and community! Over 1300 toys and \$1100 in cash donation were donated. That helped to make lots of happy faces on kids in the DFW Metroplex. In addition to the Boys and Girl Scouts we had help from Eric, Collin and Braeden Starnes, members of the Scottish Pipe and Drums of Ft Worth.

Thanks to everyone who helped to make it a success.

Toys for Tots Coordinator

SAL NEWS

Our next SAL fish fry will be on Friday January 5th. Join us for a great dinner prepared by Ronnie Mac and his team for only \$11. The next SAL meeting will be held on Thursday January 18 at 7pm. Your 2018 dues are now due.

After a couple of weeks off for the holidays, the **MEAT RAFFLE** is back every Saturday at 2:30pm

A Josh Dog was recently given to a young cancer patient. Here is a thank you letter from her family:

To Whom it May Concern,

Thank you so much for the generous gift of the Josh stuffed animal. My daughter was diagnosed with cancer back in May and was given a Josh stuffed animal shortly after her diagnosis. My daughter has really loved snuggling and playing with her Josh. Josh has become a friend that travels with us to every chemo stay. She is still too young to really understand what is happening with all the treatments that she is currently receiving but, having a friend like Josh with her that she can squeeze when she is scared or hurting makes life in and out of the hospital a little bit easier for her little soul. Thank you again for your incredibly generous donation.

*Sincerely,
The Harding Family.*

**Ron Mick
Squadron 379 Commander**

**ALL MEMBERS
